Also part of the Wickliffe solution...

**Print Solutions**

We have an unrivalled strength in business forms, as well as a broad digital and colour print capability.

**E-commerce Solutions**

Through our industry-leading ECOS solution we are able to provide you with streamlined and effective ordering systems. Your users can access supplies online through a highly customised interface, while you have control over spending levels and detailed, highly flexible reporting and management information options.

**Strategic Sourcing**

We have access to all other forms of print production through our network of suppliers and partners built up over many years in the industry. We can also integrate the sourcing of print with other highly distributed consumable products that may be required through your organisation.

**Supply Chain Logistics**

We can manage inventory on your behalf using our nationwide network and sophisticated warehouse management systems to minimise your holding costs.

# WICKLIFFE

## Design Solutions

## Comprehensive service

Wickliffe's in-house design teams have built an enviable reputation for their unmatched creative approach, innovative design, personal attention and desire to provide superior customer satisfaction. Whether it is a formal corporate design or an aggressive sales promotion, a big packaging project or a little logo, creating an original visual identity or maintaining brand consistency – our design teams approach each project with the same passion and dedication.

We also offer a complete print solution in order to provide you with a full design-to-delivery service. See our Print Solutions brochure or go to [www.wickliffe.co.nz](http://www.wickliffe.co.nz).

## Consultation

With design studios based in Wellington, Auckland, Christchurch and Dunedin, Wickliffe is well positioned to serve clients across New Zealand. Our design teams have significant experience in working consultatively with our clients and their creative or advertising agencies, offering services such as:

- graphic design
- typography
- desktop publishing
- proof-reading
- scanning
- high resolution proofing
- pre-press.

Our design teams, through their in-depth print production knowledge, can add significant value to the design and management of your print products by providing technical input and advice on the most cost-effective production methods for print media.

## High impact design solutions

You need to ensure your brand excels. Wickliffe's goal is to guarantee high impact design does just that through the services of our team of top designers, a full inventory of resources, the latest technologies and a commitment to ongoing development. Wickliffe provides the tools, the team and the attitude you need for successful vibrant communication.
